In the Matter of:

THE CUSTOMER ACCESS UNIT TARIFF	)	
FILING OF SOUTH CENTRAL BELL	)	CASE NO. 7716
TELEPHONE COMPANY	)	

O R D E R

On January 4, 1980, South Central Bell Telephone Company, (the Company) made a tariff filing with the Commission, wherein it proposed to reduce monthly rates associated with its Customer Access Unit (CAU) service offering.

CAU is used in conjunction with the HORIZON communication system. It allows the customer to activate or rearrange system operating characteristics without service assistance from South Central Bell personnel. CAU was originally proposed October 3, 1979, and present monthly rates were effective October 23, 1978.

On February 4, 1980, the Commission issued an Order suspending the tariff filing for a period of five (5) months in order that an investigation and hearing into the reasonableness of the proposed monthly rate reductions could be completed.

On February 27, 1980, a hearing in the matter was held at 10:00 a.m., Eastern Standard Time, in the Commission's offices at Frankfort, Kentucky. No intervenors were present at the hearing.

1. That since the original offering of CAU in October, 1978, no units have been leased. Therefore, approval of reduced CAU monthly rates would not affect Company revenues.

2. That both the October, 1978 and January, 1980, CAU cost documentation required by the Commission evidence positive contribution to the Company, albeit at different levels of contribution.

3. That approval of the proposed monthly rate reductions would afford the Company better opportunity to market CAU, and thus ultimately benefit basic local exchange service subscribers.

4. That the proposed reductions in CAU monthly rates are fair, just, reasonable, in the public interest, and should be approved.

IT IS THEREFORE ORDERED that the proposed reductions in CAU monthly rates are hereby approved, effective on and after the date of this Order.

IT IS FURTHER ORDERED that within thirty (30) days from the date of this Order, South Central Bell shall file revised tariff sheets with the Commission stating the rates herein approved and contained in Appendix A.

Done at Frankfort, Kentucky, this 10th day of June, 1980.
